Kate and Elisabeth-

I just faxed over summonses for the above-referenced case, which is set for trial on **Monday, May 24, 2010**. I truly apologize for the late notice. As you may recall, this case has been set for trial on numerous previous dates. The defendant defaulted on the last court date. I am cautiously optimistic that the case may actually go to trial on Monday. Could you let me know if either of you is available to be on-call?

Again, I really apologize for the late notice. I have been out of the office for the past 2 weeks and just noticed that you were not properly summonsed for this trial.

Thank you,
Heather
